

AMCP Foundation P&T Competition and AMCP eDossier System - Frequently Asked Questions (FAQs)

Will we have access to submission examples from previous years?

- No; previous submissions contain responses and proprietary information by the manufacturer, and we are not allowed to make this information available per our agreement with the manufacturer.

Is the exported eMonograph compatible with Microsoft word?

- Yes; the System will allow you to export the monograph view in Microsoft Word format

Are all participants given access to eDossier so far? I don't have the access yet.

- Access to the site and the eDossier are activated on the day that the competition begins. The case study will also be released on the same date.

How can we access the eDossier?

- Once access is activated, you may access the eDossier by logging in with your account and clicking on the product name.

How long does the verification process take after I register?

- If you register after the competition has officially begun, then it will take about 1-3 days for your account to be activated. If you have registered before the official start date then your access will be activated on the first day the competition begins.

Are we notified of any updates to the eLibrary (new studies)?

- No notifications are proactively sent to the users of the System.

Is there a limit as to how long we would have access to eDossier?

- Yes, access to the eDossier is limited to the duration of the competition. Once it closes, access to the eDossier will be removed as well.
